

SOUTHWEST MINNESOTA STATE UNIVERSITY
AND INTERNATIONAL STUDENT SERVICES HOST

KENYAN SUPPORT NIGHT

Wednesday, April 16, 2008

5:00-8:00 pm.

SMSU Campus Religious Center

This event is open to the public and will include a pot-luck dinner starting at 5:30 followed by a brief program.

We will update the community on what is occurring back "home" in Kenya as well as what is happening at Southwest Minnesota State University.

Kenyan students will have a chance to tell their stories on how the post-election violence has affected them and their families.

There will also be an open-mic session for the campus and Marshall communities to offer their thoughts and support.

Everyone is encouraged to attend. Free-will donations will be sent to an internationally recognized agency to help support the Kenyan people.
