## Reading

14 Ann and her kids love summer! The sun shines. It is warm outside. Some  
33 days are even hot. Ann and her kids like to go to the lake. They often ask friends to  
35 join them.

50 Ann puts sunscreen on herself and her kids. She does not want them to get  
62 sunburned. Sunburns are very painful. They also cause damage to the skin.  
67 Sunburns can cause skin cancer.

82 Ann gets the life jackets. She puts them on her two youngest kids. She has  
96 strict water safety rules. Her young children know they cannot go in the water  
109 without life jackets. Ann knows that children can drown very quickly in water.

124 Ann and her kids love the lake! They swim. They play with water toys. They  
137 float on water tubes. They splash and laugh. They build sandcastles. They bury  
151 their toes in the sand. Sometimes they even bury each other in the sand!

164 Summer days at the lake are fun days for Ann and her kids.
